RE: New principal at Millersville Elementary

Dr. Del Phillips, Sumner County Director of Schools, is pleased to announce he has named Tracey Carson as the new principal for Millersville Elementary.

Mrs. Carson has served the district as a lead educator since 2014. Most recently, she has been the lead educator at Millersville Elementary. Prior to 2014, Mrs. Carson served the Portland community as an elementary teacher.

Mrs. Carson received her bachelor's degree in elementary education from Middle Tennessee University. She has a master's degree from Walden University in mathematics, an education specialist degree (Ed.S.) in instructional leadership from Union University, and an instructional coaching certificate from Lipscomb University.

"I am excited to continue the great and impactful work already happening at Millersville Elementary. Our school community has a growth mindset that will propel our students to college and career readiness. Having been a lead educator at Millersville Elementary for the past two years, I already know and love the students, teachers, community, and parents," Mrs. Carson said.

"I want to thank Dr. Phillips for allowing me this opportunity, and I look forward to serving the Millersville community."

Dr. Phillips stated, "Tracey is a natural fit for Millersville Elementary. She has already had an instructional impact on the school and community. We are anticipating a long and fruitful career for Mrs. Carson at Millersville."
