

Parents,

We would like to welcome you to The Millersville Elementary School Nutrition Program. The following items are to help you better understand your child's meal account options and to make your child's experience with our program happy and smooth. All money sent in for your child's account should be sent in an envelope CLEARLY marked with the following: your child's first and last name, teachers name, amount and "Meal" or "General" account.

Student's First & Last Name
Teacher's Name
\$0.00 (Amount)
"Meal Account" or "General Account"

All money not marked will be put in your child's "Meal" account. Please make sure that your child knows how to say their first and last name clearly to make their experience with us quick and easy.

The price of breakfast is \$1.75 and lunch is \$2.75. We have a wonderful selection of a la Carte items, with some great new items this year. One of the new items is Dippin Dots at the cost of \$2.00. We will have cookies for \$.40 this year as well, just to name a few. We are also a peanut free department, so none of our items have peanuts for your child's safety.

You may put money directly in your child's account at www.MyPaymentsPlus.com; you will need your child's student ID number to do so. You may also apply for the Meal Benefits program at onlineapps.sumnerschools.org. Please note: if your child has benefits from last year, you WILL still need to apply each school year. There is a grace period of only two weeks for students that qualified for benefits the previous year.

It is our honor to serve you and your children. If you have any questions, please feel free to call.

Thank you for your cooperation,

Tonya Jones

School Nutrition Manager
