MES School Day 7:15-2:15

Dismissal Changes Student safety is our top priority. Therefore, all transportation requests for dismissal changes must be made by a parent or guardian by 1pm. After 1pm, the office's focus is on dismissal safety and cannot process dismissal requests. **Only written notifications will be accepted.** Please, do not e-mail a staff member to change your child's dismissal. There is no guarantee that your email will be received.

Arrival - Arrival/Dismissal A staff member is on duty to monitor car rider arrival at 6:45 A.M. As a courtesy, we open the front doors at 6:30 and early arrivers are expected to report immediately to the cafeteria or gym. Students will be dismissed to their classrooms at 7:05 A.M. Students transported by car should enter the front of the school and be in their classroom prior to 7:15 A.M. Any arrival after 7:15 is considered to be tardy and requires a parent to sign them in at the office.

Late Arrivals An adult must accompany students who arrive after 7:15 A.M. to the front office and sign in their child. The student will be given a pass to be admitted to class. Tardiness is an unnecessary interruption of class time and should be avoided. Students who arrive late cannot be escorted to their class by a parent. After 7:15, all doors are locked and you will have to use the buzzer to obtain entry to the building. Students who arrive after 12:25 P.M will be considered absent for the entire day. Adult visitors are required to show their driver's license and sign in at the Lobby Guard Kiosk.

Dismissal: Anyone picked up prior to 2:15 will be counted as an early dismissal. Afternoon dismissal will begin at 2:15 for grades K-5. Please do not come into to the office to sign out your child in lieu of using the carline. We cannot accommodate student sign out after 2:05. Students are already transitioning towards dismissal and they cannot be accessed in a timely manner.

Inclement Weather/Emergency Situations On the "Snow/Early Dismissal Contact Form", list how your child will be going home if it were to become necessary to dismiss school at an earlier time. Otherwise, your child will be sent home the way they are normally scheduled. Check local TV/Radio news and the county's website at <http://sumnerschools.org>. School Messenger

Attendance School attendance is kept on a computer system. This helps the state keep track of our average daily attendance, which in turn relates to state funding. Whenever possible make appointments after school and on weekends. Your cooperation is greatly appreciated.

The importance of attending school and being on time must begin with you, as parent/guardian. You are setting examples for your children. Always remember, **YOU** are their first teacher.

Tennessee Compulsory School Attendance Law requires a student to be present three hours and sixteen minutes to constitute being present a full day of school. If a child is checked out before 10:31, it will be considered an absence.

The Board recognizes that good attendance at school is basic to student learning. Attendance is a key factor in student achievement: therefore, students are expected to be present each day that school is in session. Parents have both a legal obligation and a moral responsibility to see that children are present every day that school is in session.

The Compulsory School Attendance Law in Tennessee requires children to attend school each day. A student who has been absent five days (this means a total of five days during the school year and not necessarily five consecutive days) without adequate excuse is considered truant and may be summoned to court. Whenever possible, attendance issues should be resolved at the school level. Prior to referral to a truancy officer, a meeting shall be held at the school to assist the family and improve student attendance. If unexcused absences continue to accumulate, the Director of Schools or his/her designee will report the parent and student to the Juvenile Court for further action.

The following are official/adequate excuses that should be turned in to the attendance secretary in the school office

- Medical note for the student (doctor, dentist, hospital, etc.)
- Student illness not requiring a doctor visit (five parent notes per semester)
- Court note for the student
- Funeral notice
- Recognized religious holiday
- College Visits
- Military deployment paperwork for parent

A principal may verify absences for the following:

- Approved school activity that is school sponsored and school supervised
- Extenuating circumstances on a case-by-case basis

Tardies: Any student not in the classroom when the class begins is tardy. Students who accumulate excessive unexcused tardies are considered truant and will be reported to Juvenile Court.

Make-up work: Upon the first day of returning to school, it is the student's responsibility in middle and high school and the parent's responsibility in elementary school to make contact with the teacher(s) regarding make-up work. During the school year, make-up work must be completed within a number of days equal to the number of consecutive days of the absence.

PLEASE REMEMBER TO SEND YOUR CHILD WITH A NOTE FROM HOME ON THE DAY FOLLOWING AN ABSENCE FROM SCHOOL. NOTES RECEIVED AFTER ONE WEEK WILL NOT BE ACCEPTED.

School Procedure with Student Attendance

1. 5 absences, Principal will send a letter to parent
2. 10 absences, Principal will make a phone call to parent, arrange a meeting, intervention for improvement established using counselor and nurse
3. 5 unexcused absences, Principal send a letter to parent requesting a meeting at school, intervention for improvement established using counselor and nurse
4. 7 unexcused absences, Principal will contact parent to request a meeting, intervention modified for improvement
5. 10 unexcused absences with two attempted interventions, student is referred for truancy

Make-up Work Make-up work for illness may be picked up in the school office. Please call the school. **(DO NOT DROP BY THE CLASSROOM.)** Upon request, we will make arrangements for books and materials to be picked up before 2:00 p.m. **Your request must be made by 9:00 AM in order to give teachers ample time to gather materials.**

Early Dismissal Parents of students leaving early for doctor's appointments, etc. must come to the office to sign the child out. ***DO NOT*** go to your child's classroom. Students who become ill during the day may call a parent to come after them. **ANY PERSON TAKING YOUR CHILD FROM SCHOOL MUST BE LISTED ON YOUR CHILD'S REGISTRATION SHEET.** We ask that parents not send their children to school when they are running a fever or show other obvious signs of needing medical attention. Everyone picking up a child **MUST** have a state issued photo identification.

Tardiness Promptness is very important. Teachers begin their classes at 7:15am. It is very disruptive when students come to class late. Student should be prepared to begin instruction promptly at 7:15am. Tardiness is a part of attendance. Students that arrive late must report to the office. All tardies are counted as time absent. Tardies do affect perfect attendance records. Please adjust your schedule so your child can be in the classroom no later than 7:15am. Your child is counted tardy if they arrive to the classroom after 7:15 am, even if you dropped them off at school on time.

School Day Length No student should arrive prior to 6:30 am. There is no adult supervision until that time. All students should be picked up from school by 2:15 pm. Instruction begins promptly at 7:15 and dismissal is at 2:15pm.

Bus Riders The right of all students to ride a Sumner County school bus is a condition of each student's behavior. All students on the bus are under the authority of the school bus driver and must obey the rules. Students who violate the bus rules will be reported to the principal. Students who violate the rules may lose their privilege to ride on the bus. If this occurs it will become the responsibility of the parent to transport the student to and from school.

1. The driver is in full charge of the bus and students.
2. Students are expected to obey the driver.
3. The driver may assign seats.
4. No profanity or shouting is allowed.
5. No eating or drinking on the bus. Please help keep the bus clean.
6. Violence or horseplay is prohibited.
7. Remain seated and facing the front of the bus.
8. Hands and head are to be kept inside the bus.
9. Do not distract the driver through misbehavior.

10. Do not destroy the bus property.
11. Please cross the road **IN FRONT OF** the bus, **NOT** behind.

Balloons, breakable objects, and objects that cannot be held in the student's lap are prohibited. This includes Valentine's Day.

Problems arising at the bus stops **PRIOR TO** boarding the bus are the responsibility of the parents.

All students must get on and off the bus **at their assigned stop**. Sumner County Schools do not drop students at places of business.

Parents are responsible for any damage to school property on a school bus. Repairs to bus seats will be charged to the parent or guardian of a child who destroys or damages school bus seats. The cost is set by the Sumner County Board of Education Department of Transportation. Your child may not be permitted to ride the school bus until such fines are paid.

If there is a conflict between a parent and a bus driver, the parent should contact both the Sumner County Department of Transportation and the school principal. Parents who attempt to board a Sumner County Schools bus will be prosecuted.

To contact the Sumner County Schools Department of Transportation, please call 615-452-1520.

Changes In Student Information Please notify the school (*both office and teacher*) immediately if there is a change in your child's address, telephone number, emergency contact person, etc. This information is very important in the event we need to contact you. If you need to change the names of those who are allowed to pick up your child, you (the legal guardian) must come to the front office to do so in person.

Registration Requirements Sumner County Schools Policy JBC

A. Any student entering school for the first time must present:

1. An official birth certificate of date of birth at the time of registration; (See TCA 49-6-3008(b)). The name used on the records of a student entering school must be the same as that shown on the birth certificate unless evidence is presented that such name has been legally changed through a court as prescribed by law.
2. Evidence of a current medical examination. (See TRR/MS 0520-1-3-.08(2)(a)) There shall be a complete medical examination of every student entering school for the first time. This applies to kindergarten, first grade and other students for whom there is no health record; and
3. Evidence of state-required immunization. No child shall be admitted to school without proof of immunization except those who are exempt by statute as provided in TCA 49-6-5001.
4. If the person enrolling the child, cannot after being given a reasonable amount of time, provide a birth certificate of any sort or documents granting custody, the matter shall be referred to the Attendance Department to insure that the person presenting the child is in-fact a parent or legal guardian of the child. No child shall be deprived of an education while such matters are resolved.

B. A child must reside in Sumner County with the primary residential custodial parent or residential guardian to attend Sumner County Schools. See Policy JBCCA for exceptions. Parents must notify the school principal if the child ceases to reside in Sumner County.

C. A photo ID is requested to identify the parent/guardian enrolling a child.

D. Two (2) documents establishing proof of residence are required:

1. Legal document/lease showing proof of residency for specific address. Sumner County Board of Education has a specific form that is to be filled out and notarized before the child can be enrolled.
2. Current invoice/bill (electric, gas, water, landline telephone) assigned to a specific address and the primary custodial parent/guardian. (Cell phone bill is not accepted.)

Sumner County School District shall allow any physically present student to register and begin classes with the understanding **all of the above requirements must be completed and filed with the school within three (3) school days**. At the end of the school day on the third (3rd) day, if the required documentation has not been turned into the school administrative office, the Attendance Department will be notified to check for proof of residency. The Attendance Department shall investigate and determine further action based on results.

A Truant Officer may verify a student's residency at any time during the school year. During any such investigation, the child shall continue to attend school.

When it can be determined that a child is not residing in Sumner County and the parent has obtained educational services by fraud or deceit including the filing of false documents, the Director of Schools shall examine the proof and determine whether the matter should be referred to the District Attorney General for prosecution and/or the school attorney for a civil suit for the tuition due from out-of-county students.

Parent Conferences Sumner County provides a time for parent conferences. Information will be sent home regarding this date. Teachers may call for intervening conferences. If you want to set up an additional meeting, teachers will be happy to do so. Send your child's teacher a note or call the office to schedule a time. **Please do not drop by "for just a minute" during the school day.** This puts the teacher in a most uncomfortable position. While trying to have a conference with you, the students are looking for his/her attention. If you have a problem that needs immediate attention, please contact the office. The secretary or principal can give you the teacher's planning time. (ALWAYS STOP BY THE OFFICE TO REGISTER YOUR VISITATION.)

Field Trips

During the school year, field trips will be taken to various places designed to enhance the educational program of your child. All students are REQUIRED to ride the school bus to the trip location. Your child's teacher may or may not need parent volunteers for some trips. If you are asked to be a volunteer on a trip, please do not bring along younger or older children. Volunteers will not be allowed to chaperone if they have minor children with them. NO REFUND will be given in this situation. Make arrangements for other children prior to the field trip. The school administration reserves the right to deny anyone participation in school field trips.

Grading Scale and Honor Roll

IHA

Adopted: June 20, 2006

Last Revised: May 17, 2016

PURPOSE: To establish a uniform grading scale and grade reporting system for Sumner County Schools

APPLICATION: Director, Principals, Teachers, Staff, Students

DEFINITIONS: None

POLICY: The Board believes that the issuance of grades serves to promote continuous evaluation of student progress toward expected learning outcomes, to inform both the student and the parents of such progress, and to provide a basis for bringing about change in student performance, if change should be necessary.

A grade report will be made to the parents of each elementary, middle and high school student each nine weeks period of each semester. Written progress reports on standardized forms will be provided to the parents of students at the midpoint of 9-week reporting periods. The forms/cards for reporting to parents will be prescribed by the school system.

The basic grading system for grades 3-12 subject area grades will be expressed by the letters "A", "B", "C", "D," and "F", with corresponding numerical values as follows:

A 93 - 100

B 85 - 92

C 75 - 84

D 70 - 74

F Below 70

Passing grades for grades 4-12 will correspond to a numerical value of **70** or above. The numerical value bracket of letter grades will be indicated on report cards and on permanent records.

A grade of 2, 3, or 4 at the end of the fourth quarter will be considered passing grades for kindergarten through second (K-3) grades.

Student progress will be reported in kindergarten through second (K-3) grades on forms prescribed by the school district.

Awards Assembly Each 9 weeks Period an assembly will be held to honor students for their success, effort, and citizenship. Watch for notes home regarding Awards Assembly dates.

MES School-Wide Grading Policy Purpose – Grading occurs within classrooms to provide a pure representation of a student’s level of mastery of standards to all stakeholders involved in the student’s academic plan.

The following policies and practices will reinforce this purpose:

Zero Policy - Every effort will be made to insure that all students complete assignments. This will include a loss of privileges for students that fail to maintain their proper responsibilities for completing assigned classwork and homework. Work assignments must be completed at all levels of education and in life.

Graded Items Policy - Teachers will only grade assignments that represent a student’s independent ability to illustrate mastery or progress towards mastery. Some classwork and all homework items that are practice will be assessed formatively by the teacher. Unit assessments and other summative assessments may be weighted more as they are a better representation of a student’s mastery of a standard.

Re-do Policy - When a student completes an assessment that does not accurately represent the student’s level of mastery towards a standard, the teacher may provide the student with re-do opportunities. The number of re-do opportunities on a single assessment will be determined by the classroom teacher and/or support team on a case-by-case basis. The grade assigned will be the most recent score. For K-2 students, before the standard is reassessed the teacher will provide more instruction and student will have more practice opportunities.

Extra Grade Opportunities - Teachers may provide extra grade opportunities to produce a more pure representation of a student’s level of mastery towards a standard. Extra credit points should be held to a minimum and must be directly related to a standard.

Late Work Policy - Late work will be accepted without a grading penalty. Student will receive consequences by a loss of privileges and re-teaching of study habits to reinforce the importance of completing assignments on time.

Homework Policy – Homework will be used as practice and review. Homework will be checked, discussed, and used as a tool for instruction. Homework supports the reinforcement of standards

taught. Daily homework should not exceed 30 minutes in grades K-2 and 45-minutes in grades 3-5. Homework should be provided as intentional practice at a level that ensures student success.

Clinic/Medicine We have a full time Nurse at MES. The nurse only provides basic first aid. If your child shows symptoms of illness, please keep him/her home. **Aspirin and Tylenol will not be provided by the school.** A "Permission for Administration of Non-Prescription Medication" must be on file along with an **UNOPENED** bottle with the child's name written on it. All prescription medicines must be accompanied by a "Permission for Administration of Prescription Medication" signed by the child's physician. The medication itself **MUST** be in the original prescription bottle. Antibiotics requiring 3 dosages should be dispensed at home before school, after school, and at bedtime.

Head Lice Procedures

SUMNER COUNTY SCHOOLS

Guidelines & Protocol: Pediculosis (Head Lice)

Head lice **do not** transmit any disease agent, they do not hop or fly; they crawl, and in most cases transmission occurs by direct head to head contact with an infested person. Possible, but much less likely is the indirect spread by combs, hats, etc...used by the infested person. Below are definitions and guidelines cited by The American Academy of Pediatrics at:

<http://pediatrics.aappublications.org/content/126/2/392.full.html>

Guidelines & Information

- Lice Infestation: Finding of live lice on the head OR nits (eggs) less than 1 cm from the scalp.
- No healthy child should be excluded from school or allowed to miss excessive amounts of school time because of head lice.
- No nit policies for return to school are scientifically baseless and cause unnecessary days out of school.
- Head lice infestations have low contagion in a classroom setting.
- School-wide or classroom-wide, routine screenings are discouraged and have been shown to have little efficacy. Rather a screening of those who may have had the most contact with the infested person or those who are symptomatic.
- By the time a person shows symptomatic itching they have been infested several weeks.
- There is no evidence that excluding a student from school reduces the incidence of transmission. Parent education and encouraging routine lice checks by the parent are more effective.

Protocol

- Student infestation is confirmed: the school nurse or staff member have verified the presence of visible, live lice or numerous (5 or more) nits less than 1 cm from the scalp.
- Confidentiality and sensitivity of the student and family should be maintained and considered at all times.
- Contact the parent/guardian and request the student be picked up. Return the student to class until the parent arrives.
- Provide educational materials, treatment instructions and encouragement to the parent/guardian.
- Notify the parent the child may return with proof of treatment with pediculicide product (head lice shampoo) AND determination by school nurse or staff member that there has been improvement since the parent/guardian was notified and there are no visible, live lice.

- Treatment should require no more than 2 days and these days will be excused using the appropriate attendance documentation (“*School Verified Sick Form*”). The School Nurse or a staff member can utilize this form and should give it to the school’s attendance clerk.
- In cases of chronically infested students the school nurse will make appropriate referrals to community resources, which may include SCHD, DCS, private pediatrician, etc...and notification to the attendance officers.

Dress Code The following should NOT be worn to school:

- Biker shorts
- Pants or shorts with writing across the seat
- Cut-off jeans that are frayed or pockets showing
- Saggy/sagging pants
- Spandex or body shirts
- Leggings and leotards unless with an appropriate length top or dress
- Sexual slogans, pictures or advertisements for tobacco or alcoholic products or weapons on clothes
- Caps, hats, scarves, or bandannas
- Strapless dresses or blouses
- Spaghetti strap dresses
- Bare midriff, halters or tank tops
- Backless shoes or cleated shoes (sandals with back strap permitted)
- No “flip-flops”
- Heelys (Heelys with the rollers removed are still **not** permitted at school)
- Clothing related to gangs
- Extreme hair color – defined as any color that is not naturally occurring
- Any clothing that disrupts the educational/learning setting of the classroom (as deemed by the principal)
- Chains or spikes of any kind.
- The principal reserves the right to deem any clothing inappropriate on a case by case basis

In addition, the following guidelines will be enforced:

- **ALL SHORTS MUST BE FINGERTIP LENGTH**
- Mesh may be worn over T-shirts
- Jewelry must not be distracting/disruptive or unsafe

Penalties Change or go home.

Textbooks These are loaned to students for their use during the school year, and should be handled carefully. Fines will be charged for lost or abused textbooks. This is a school board policy.

Money All money should be sent to school in an envelope marked with the child's name and purpose. DO NOT write one check for more than one expense. For example, do not send one check to cover lunch money and workbooks. Each expense needs to be paid separately.

Cafeteria Monitors supervise students. All students are under the authority of the monitors and must obey the school and cafeteria rules. Students are expected to behave in the same manner that would be expected of them in a nice restaurant.

Students should bring lunch money in an envelope that is labeled with the student's name, Teacher, amount, and purpose. Separate envelopes should be sent and labeled for Lunch, Breakfast, and Snack. Prices for breakfast and lunch are given out on registration day. Do not include lunch money with other checks. Lunch charges are handled in the cafeteria. SCS Board Policy EEA may be found in the appendix of this document. This is the parents' responsibility not the schools.

Food from outside restaurants may **not** be brought to school for your child to eat. This is a regulation from the Federal Government related to the School Nutrition Program. It is not a school policy.

Visitation at lunch is limited by school board directive to immediate family members. This is limited to parents, siblings, and grandparents. Extended family such as aunts, uncles, and cousins must be approved through the office prior to the day of visitation. The school reserves the right to deny visitation of anyone. When visiting a child at lunch, visitors are expected to visit with their child and not interfere with other students. If you visit your child during lunch, you are **not** allowed to walk the student back to the classroom. At the end of the lunch period, you will need to sign out in the front office.

Visitors may not take pictures of students other than their child during lunch. No pictures of students other than your own may be posted on Social Media.

Telephones Messages and deliveries from home should be left in the office. Office telephones may only be used by students in case of emergency. Students will not be allowed to call home for missing homework or library books left at home. Telephones may be used in the office only with principal permission **only for emergencies.** Students must have telephone passes.

For security purposes, information about a child's registration or attendance will not be given over the phone.

Students are not to have cellphones visible at any time during the course of school hours, this includes bus rides. Student cellphones are seen by a school employee will be confiscated. **Cellphones may only be reclaimed by the student's legal guardian.** A student may have a cell phone stowed away in their backpack. **The cellphone must be turned OFF, not on silent or vibrate.** **Students should never contact a teacher by calling the teacher's cell phone, nor vice versa.**

SCS Policy CR - MIDDLE SCHOOL/ELEMENTARY STUDENTS

Use of cell phones or similar technologies shall be allowed in the classroom when such devices are used under the direct supervision of the teacher and incorporated into a lesson plan provided such use has been approved by the principal. No student shall be required to have such technology nor be penalized in any manner for not having such technology. The use of any such technology shall be governed by Policy IFAF, Student Use of Technology resources, when being used in conjunction with this provision.

Students are prohibited from using or having cellular telephones on their person during the school day unless they are for the participation in a class as approved under the language above. Cellular telephones may be placed in vehicles, or other secure locations as determined by the principal for use

before or after school.

Students may carry cellular telephones while participating in off-campus activities, such as field trips, if specifically authorized by the teacher. Principals may authorize the use of personal cellular telephones in the event of an emergency or serious situation.

Lost and Found Each year we have a number of articles of very nice clothing lost or left at school. Please make sure your child's name is on the inside of jackets, backpacks, hats, gloves, etc. Also, have your child check in the office should they lose something. Items in the lost and found will be donated to a charity of the principal's choice at Winter and Summer Breaks.

Safety in our School The safety of your child is of the utmost importance to us at MES. We ask for your complete and consistent cooperation in enforcing safety precautions for our students, YOUR children.

- All outside doors will be locked during the school day. Please enter the building through the front doors and enter the office **AT ALL TIMES**. This applies to everyone not a direct employee of North Sumner Elementary School.
- **All visitors and volunteers must sign in at the office upon entering the building.** You will be given a visitor's tag to wear while you are in the building. **Do not go to your child's classroom without permission from the office.** If this occurs, you will be directed back to the office to follow proper sign in procedures.
- If you must sign your child out, please report to the office and the staff will call for your child. **Do not attempt to go directly to pick up your child.**
- In the situation where the school is on a Secure School Lock-Down Drill, no one except for approved officials will be allowed to enter or exit the building.
- The principal reserves the right to deny anyone access to the school premises.

Toys Millersville Elementary is a place of learning. Students should not bring toys to school. Electronic devices brought to school are the responsibility of the student. Students should not bring electronic gaming devices to school. Items that are lost or stolen are **not** the responsibility of the school. The school will not intervene between students nor parents concerning such devices which are stolen. The school has no responsibility or liability for such items. Fidget spinners and other such devices are considered toys and are not allowed at school.

Weapons Within the Sumner County Schools Student Handbook, you will find the district's Zero Tolerance Policy. Students bringing weapons of any kind to school, whether real or dramatic, are subject to suspension and/or a disciplinary hearing.

Discipline We at MES believe that if a teacher cannot discipline, he or she cannot teach. This is also true of a student: one who cannot behave, cannot be taught. At MES we use an assertive approach to discipline. Our behavior program is Mustang PRIDE. The approach consists of consequences and rewards. This approach makes each student responsible for his/her behavior. Your cooperation in discipline is greatly appreciated.

PRIDE RULES

&

Guidelines for Success

Rules: Something that regulates student misbehavior

Procedures: The way you EXPECT something to be done (the same way every time it is done).

The following “PRIDE Rules” are guidelines for success for all students in all areas of our school as well as on school buses and field trips. If students follow these simple guidelines at all times, they will be successful across all settings.

Perform my best and be accountable for my actions.

Responsibility is what I show.

I Keep my hands, feet, and objects to myself.

Directions are followed at all times.

Every day, I show respect.

Respect and responsibility are my beliefs to show **Mustang PRIDE**
at Millersville Elementary

IMPORTANT

*All visitors to Millersville Elementary **MUST** report to the front office. Visitors must present a valid state issued identification in order to visit a child at school. When visiting the school, you must present the front office with a valid form of identification, you will then be presented with a numbered visitor's pass. **You are only to go to the area of the school that you were cleared by the front office to visit. Visitors who do not obey the direction of the front office will be asked to leave the premise and are subject to prosecution for trespassing.***

This handbook is intended to cover the routines and policies of MES; however, SCS Board Policy trumps any statement within this document.

School year -- 180d

Time is stockpiled as per state law to allow for up to thirteen days of school being missed due to "dangerous or extreme weather conditions" or "upon approval by the [SDE] Commissioner . . . in case of natural disaster, serious outbreaks of illness affecting or endangering students or staff, or dangerous structural or environmental conditions rendering a school unsafe for use." Days stockpiled in this manner are NOT subject to being "taken off" if not used in a school year. [TCA 49-6-3004]

This calendar schedules one (1) stockpiled day as the Parent Conference Day [February 20, 2018], which leaves 12 for other conditions that may necessitate closing schools. State regulations require 10 administrative & inservice days. At least 5 of these days must be used for inservice, and 1 administrative day must be a parent conference day. This calendar schedules four [4] administrative days in addition to one [1] parent conference day.
